+917372045902 | kausher01imam@gmail.com | <https://www.linkedin.com/in/kausher-i-441b78119/>

### EDUCATION

---

Sardar Patel Institute of Technology, <i>Mumbai</i>	<i>Nov 2022-Sept 2024</i>
Masters In Computer Application	7.9 CGPA
Anugrah Narayan College, <i>Patna</i>	<i>Oct 2017-Dec-2020</i>
Bachelor of Science	66.67%

### EXPERIENCE

---

Prosares Solutions Pvt Ltd, <i>Mumbai</i>	<i>Oct 2024-</i>
Software Developer	
Unified Mentor Pvt Ltd	<i>April 2024-Sept-2024</i>
Web Developer Intern	

### SKILLS

---

Html, CSS, JavaScript, DBMS, MySQL, Java, Python, ReactJS, GitHub, Spring Boot, C#, .NET

### PROJECTS

---

#### News App

Developed a News App using React.js, providing users with the latest headlines categorized into different topics like Business, Entertainment, Health, Science, Sports, and Technology.

- **Technologies Used:** Utilized React.js for frontend development, React Router for navigation, and integrated a custom API for fetching news data dynamically.
- **Key Features:** Implemented a responsive Navbar allowing users to switch between different news categories and toggle between light and dark modes for better readability. Each category route displays top headlines with images, titles, descriptions, and links to read more.

#### Blog Application

- **Technologies Used:** REST Architecture, Spring Boot, Hibernate, MySQL
- Designed controllers for various resource entities to represent database tables and prepared repositories for data access
- Implemented CRUD operations, request validation, and response formatting to enhance API
- Incorporated pagination and sorting for enhanced data retrieval. Included a search functionality for finding posts by title.

### ACHIVEMENTS & CERTIFICATIONS

---

- Secured AIR 40 in MAH-MCA CET 2022
- Programming In Java by IIT Kharagpur
